Re Certain Divisional tendered works

In the case of the same contractor having been fixed up for more than one division, to carry out works of the divisions, as per his tender, much difficulty is being felt for pushing through the works as the contractor is not found capable of handling all the works and in particular some special works either for incompetency want of experience and boldness or want of suiffficient capital

For instance, Mr Munirangappa contractor for the VI and VIII Divisions, not only for the supply of materials but also for works is finding it difficult to start the following works

i Construction of Scrap Iron stalls
ii Repairs and improvements to Slaughter House
iii Annual repairs etc , for Visweswarapuram Dispensary
iv Construction of cattle shed
v Construction of stalls in Bus Stand & other works

If approved other contractors will be influenced to take up the work and complete them before the end of the year
